## MEMORANDUM

**Recommendation:** Nominate and vote for a delegate to represent and vote on behalf of the Indiana State Board of Education at the NASBE 2016 Annual Conference October 19-22.

The Indiana State Board of Education must nominate and elect a member to serve as a voting NASBE delegate. NASBE's bylaws say that any state having jurisdiction over elementary and secondary education may become an equal voting member of the Association.

The duties of the Delegate Assembly are to convene at the Annual Meeting and elect officers of the Association; receive and act on reports and recommendations from the Board of Directors, officers, committees, the executive director and others; confer honors and recognition to deserving individuals and organizations; and otherwise act to advance the cause of the Association.
